To whom it may concern

Linda Klok has been a valued member of the Institute of Certified NZ Bookkeepers since May 2017.

She was voted onto the Executive Committee in July 2018 and stepped down in July 2021. During this period she contributed significantly even with the restrictions multiple sclerosis imparts.

Among other portfolio's, Linda was the Human Resources lead and she ensured the staff were heard and fairly rewarded.

As a Canterbury member she frequently supported and encouraged other bookkeepers in her region whether they were members of ICNZB or not. This also occurs outside our community.

Linda deserves whatever assistance that can be provided.

Yours sincerely

Greg Steed

Executive Officer
